Subject: - Invitation as a Speaker for one day webinar on "STARTUP AND ENTREPRENEURSHIP IN PHARMA SPACE"

Dear Sir,

Dayanand Education Society's, Dayanand College of Pharmacy, Latur established in 2009. Our college is leading Pharmacy institute in Marathwada region. The Entrepreneurship Development cell is established in the college to motivate and train students towards science and technology so that students become job creators rather than job seekers. As a part of EDC, it gives me an immense pleasure to invite you as a Speaker for one day webinar on "Startup and Entrepreneurship in Pharma Space" which is to be held on 13th August 2020 by online mode. Your guidance will help our students to develop their entrepreneurial qualities.

I request you to kindly accept our invitation and oblige.

With warm regards.

Patlex Business Solutions, Latur.

Date of Webinar: - 13/08/2020

Online mode: - Zoom App & YouTube Live

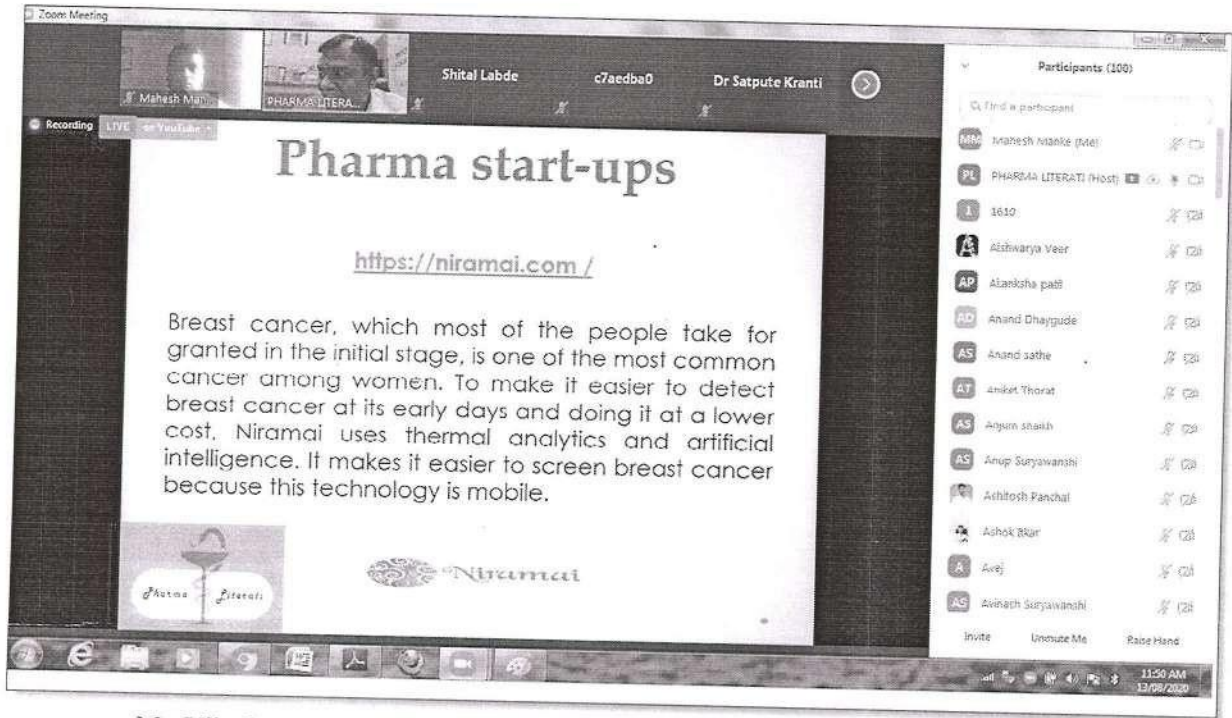

No. of Participants Attended: - 177 (Degree & Diploma)

The webinar was aimed at developing Entrepreneur approach in the minds of budding pharmacist. The speaker elaborated as per the topic through his wide experience of 13+ years. The main focus was on developing basic skill set to run business in different types of pharma sector. Being the technical graduate's student should be able to differentiate between a normal traditional business which involves buying and selling of goods while Start-ups which involves more selling of an ideas.

Main points covered were as follows -

1. Start-ups in pharma & healthcare space
2. Difference between start-ups & traditional business.
3. Business models
4. Scalability / Growth
5. Failure rates
6. Exit strategy
7. Funding
8. Services of business start-ups
9. Intellectual property rights (IPR)

The webinar was followed by short question and answer session to clear the doubt and curiosities of students. After the successful completion of session feedback collection and analysis was done. Feedback analysis revealed that the webinar served the aim and satisfied the curiosities of students.

Breast cancer, which most of the people take for granted in the initial stage, is one of the most common cancer among women. To make it easier to detect breast cancer at its early days and doing it at a lower cost, Niramai uses thermal analytics and artificial intelligence. It makes it easier to screen breast cancer because this technology is mobile.

ACTIVITY REPORT Academic year 2021-22

Title of Activity: Guest lecture

Date: 19/04/2022

Venue: Seminar Hall, Dayanand college of Pharmacy.

Objective

1. To understand basics of intellectual property rights
2. To aware students about the benefits of Intellectual property among all sections of society
3. To create awareness among students to encourage innovation and creativity
4. To promote and enable creators and inventors to earn recognition and financial benefit from their work
5. To know about patents, grants of patent, trademarks etc.

No. of Students/ Faculty: 160

Description of Activity: The Webinar on the topic of **Guest lecture on Intellectual property rights** was organized by the IQAC in collaboration with Academic Committee on Dated 19/04/2022 from 11:00 am to 1:00 pm at seminar hall Dayanand College of pharmacy. The guest speaker was **Vijaykumar Shivpuje** Co-founder and director, Pharma literati, Latur. He was briefly informed about importance of intellectual property rights, how to file patent, brief information about trademark, copyright etc.

The convener and the coordinator of the program were Principal Dr. K.L. Satpute and Mr. Birajdar M.J., Mr. Hude R.U. The webinar was started by the introduction of the guest speaker Mr. Birajdar M.J. And end with vote of thanks by Mr. Hude R.U.

Activity Experiences: Active participation in events leading to the accumulation of knowledge about patents, trademark and copyright was excellent.

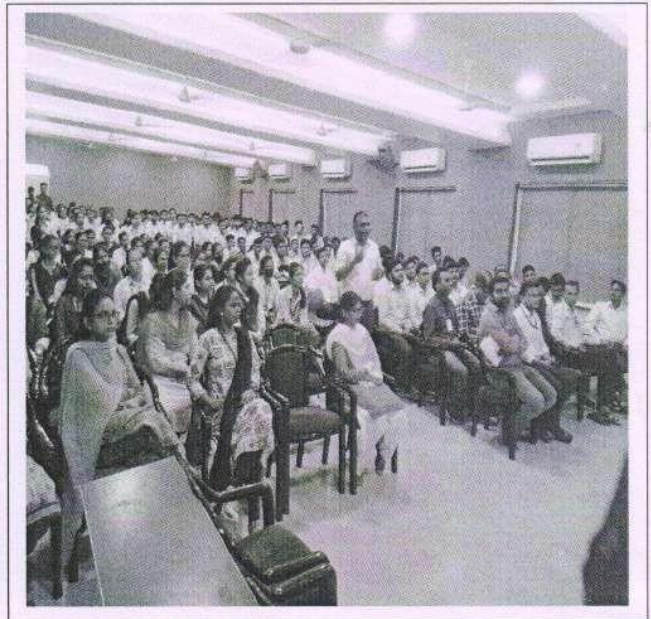

Concept/principles/procedures discussed/learned from the activity: Students gain the knowledge about legal right to file a suit against anyone who uses your idea or logo etc. without your permission. Also gain information about how to safeguard your invention.

Application of observation/experience in professional life/work:

- It will helpful for the students to know geographical indications.
- It will helpful for the students to gain brief knowledge about patents and innovation.

Outcome/ conclusion

- It includes legal right to file a suit against anyone who uses your idea or logo etc. without your permission
- It gives information about how Patents allow individual inventors and small businesses the option of obtaining licenses or selling rights to others.
