Collaboration with SWAYAM-NPTEL for Online Courses.

1. List of activities.

Our college is recognized NPTEL local chapter since June 2017. The NPTEL is an initiative by the central government and Indian Institute of Technology. The Latur city is known for its educational pattern but still the students from the remote area are unable to get high learning inputs. The NPTEL helped the students from our college to enroll for the NPTEL courses and exams. The NPTEL exam centers were only in metropolitan city but after enrollment of the Dayanand College of pharmacy's students in this examination the NPTEL has started exam centers in Latur city. Our faculty members are also enrolling for the NPTEL examinations and learning the new aids of teaching by attending NPTEL workshops.
