The webinar was arranged by Entrepreneurship Development Cell to aware about Entrepreneurship in the minds of budding pharmacist. The main focus was to motivate and train students towards science and technology so that students become job creators rather than job seekers.

Main points covered were as follows-

1. Entrepreneurship start-up ideas.
2. Mind setup to start new business / Industry.
3. Minimum requirement to start business / Industry.
4. What are loan license products (LLP)?
5. Manufacturing of products.
6. Marketing of products.
7. What is generic market?
8. Documentation required for manufacturing and sale of products.

The session was followed by short question and answer session to clear the doubt and curiosities of students. Finally, feedback collection and analysis of feedback was done. Feedback analysis revealed that the webinar served the aim and satisfied the curiosities of students.
