This is an electronically generated score card in the official result declared by NTA and does not require any signatures.

The NTA Score indicates the percentage of candidates that have scored EQUAL TO OR BELOW (same or lower raw marks) candidates. The NTA scores of a Candidate have been calculated as follows:

$$100 \times \frac{\text{Number of candidates appeared in the examination with raw marks EQUAL TO OR LESS than the candidate}}{\text{Total number of the candidates appeared}}$$

A score is not the same as percentage of marks obtained.

A National Merit Ranking (All India Rank) has been arrived based on the Marks secured against Total Marks.

Students having same Score shall be listed in a chronological (ascending) order as per their date of birth.

Candidates having same score would be given the same Merit, and the Merit number would be increased by the same number i.e. if there are two candidates at Merit 2, Merit 3 would not be awarded to the next candidate but Merit 4 would be given.

The admission authorities are advised to use score awarded to the students for allotment of seat in the AICTE approved programs along with the other criteria that may exist, as applicable.

Candidate's particulars including Category and Person with Disability (PwD) have been indicated as mentioned by the candidate in the online application form.

Instances of incorrect information provided by the candidates, if detected at any stage, would make the candidate liable for disqualification.

The responsibility of verifying the category of the candidate for ascertaining eligibility of admission and award of scholarship if any lies with the admitting institute.

Qualifying in GPAT-2021 does not guarantee any automatic entitlement for admission to PG programme nor AICTE assistance under PG programmes.

Any dispute concerning GPAT-2021 would be subject to Jurisdiction of the competent courts within the territorial jurisdiction of New Delhi only.

Disclaimer: Neither NTA nor NTA is responsible for any inadvertent error that may have crept in the results being published on NET. The results published on net are for immediate information to the examinees. (Ver 1.0, 16.8.0)
