Industrial Visit Report 2022-23

Institute organizes Industrial visit for B. Pharmacy students to upgrade the students with current updates about the industrial profession and to provide the knowledge of new modern techniques employed in the industries. Students have visited the reputed Pharma industry, which helps to develop innovative ideas among the students for the research.

Industrial visit at Goldfish Pharma Pvt.Ltd., Kukatpally, Hyderabad, on 16th September 2022.

An industrial visit was carried out for fourth-year B. Pharm students. A total of 45 students along with three faculty members and one non-teaching member were present. **Dr. Dinesh Reddy**, Director of Goldfish Pharma, Hyderabad, and the officials of the industry of the particular unit. Dr. Lokesh explained to our students about the company, technical details provided by the company & Various Career Opportunities in the pharma industries. The students had good interaction with them. Dr. Lokesh explained about the storage department and how it works, He then took the students to the production department and explained how the pallets are made, he gives a live demonstration of tray dryers, fluidized bed dryers, sieve Shekar instruments, after that he gave the live demonstration of automatic capsule filling machine, packaging machines like a blister, strip, aluminum foil packaging, and they show primary, secondary, and tertiary packaging. Students were satisfied with the answers which are given in response to questions asked by students the company persons also appreciated our students after the question-answer sessions. Industrial Visit seems to be very informative and gives a good learning experience for students and faculty members.

Dr. Lokesh explained to our students about the company, the technical details provided by the company & Various Career Opportunities in the pharma industries
