## PHARMACIST'S OATH

I Swear by the code of Ethics of the Pharmacy Council of India in relation to the community and shall act as an integral part of the health care team.

I shall uphold the laws and standards governing my profession.

I shall strive to perfect and enlarge my knowledge to contribute to the advancement of pharmacy and public health.

I shall follow the system, which I consider best for pharmaceutical care and counseling of patients.

I shall endeavor to discover and manufacture drugs of quality to alleviate the suffering of humanity.

I shall hold in confidence the knowledge gained about the patients in connection with professional practice and never

divulge unless compelled to do so by the law.

I shall associate with organizations having their objectives

for the betterment of the profession of Pharmacy and make

contribution to carry out the work of those organizations.

While I continue to keep this Oath inviolate, may it be granted to me to enjoy life and the practice of pharmacy respected by all, at all times!

Should I trespass and violate this oath, may the reverse be my lot!

## Alumni President Desk

**Dr. Archana Yelmate**

It is a matter of immense pride for me to hold the honour of the President of an organization such as the Alumni Association of Dayanand education society's Dayanand college of pharmacy, Latur. This responsibility adds a new dimension to my commitment to the Association. I am sure that i shall get the same support and affection from my alumni. I am sure that the association will continue its activities with the same spirit and enthusiasm, cementing the bond between the institution and its alumni. Developing and maintaining a strong alumni association is essential for the growth and progress of an institution, keeping in mind the alumni committee has come up with the website. Here we would aim at connecting alumni, giving them platform to interact and regroup.

My graduation at Dayanand College of Pharmacy has been a very interesting and awesome journey. DCOP provided me with a great balance of academics and extra-curricular activities. It feels great to be taught by amazing teachers who are the best. They always motivated me to face the risks and learn new things. I cherish every moment spent at DCOP. I am and will always be thankful to DCOP for making me a person I am today.

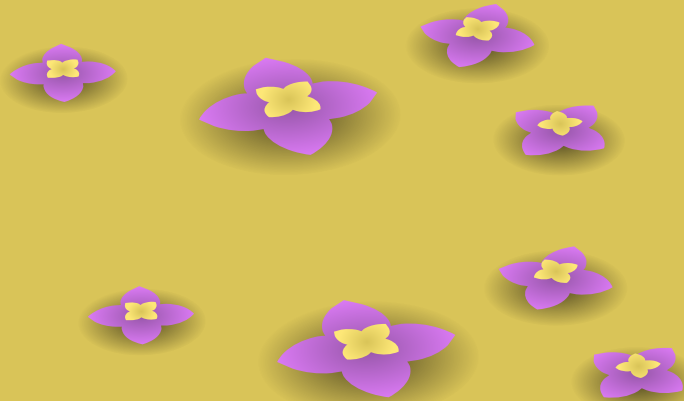

**Ms . Shinde Rupali M. Pharmacy**  
senior process associate and  
pharmacovigilance scientist at  
TCS, Pune

My graduation at DCOP has been very awesome and interesting journey. It has provided me a good opportunity to learn and grow myself. At this college I gained friendship and different kind of experiences which were added different perspective to my life and I thankful for that. The teachers are highly qualified, kind, talented, motivated and very cooperative. I am truly blessed to get love and guidance from these teachers. It is a place where I spent 4 years which are most memorable years of my life. It was a great journey at DCOP and that 4 years gave me a lot of exposure and opportunities to discover my hidden talent. I am and will always be thankful to DCOP for making me a person I am today. This has really been awesome feeling to be part of such a marvellous educational institution. Thanks for everything and I am proud to be dcopian.

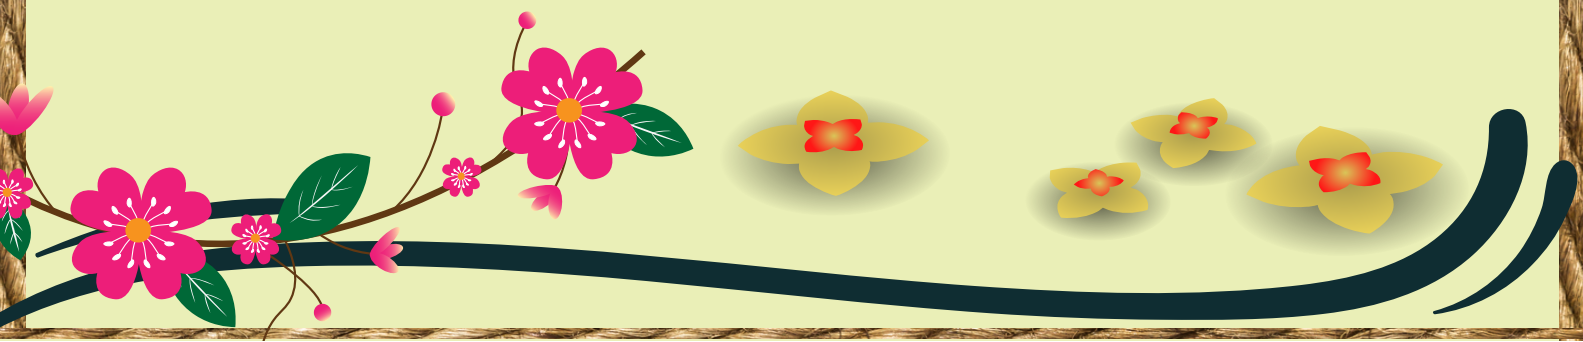

# Alumni Speak

**Ms. Shetkar Suchita**  
lecturer  
Dayanand college of Pharmacy, latur

The first moment, when I came to DCOP, I was full of energy and enthusiasm. DCOP is a college with a good environment and an excellent crowd. I believe that the achievement of an organization is a result of the combined efforts of each individual. The vision of the college is to give quality education. The faculty is excellent with deep knowledge of every subject as well as beyond the subject. DCOP is an institution where the emphasis is given to the overall development of students with much priority to Industrial visits, guest lecture, personality development classes and extracurricular activities so that graduates can lead the world. The best infrastructure, canteen, computer lab, Playing ground and other facilities we have got from this college. The library of this college is also well equipped with all types of books. I would like to thank DCOP for being very supportive and helping me throughout to develop my personality there by making me what I am today. I wish this institution goes on doing great stuff and help student achieve their dreams.
