The overall good environment for curriculum.

Increase standard reference books of Pharmacology screening methods

All is Well

Nothing

Annual Pattern would be Better than Semester..... There

Should implement New techniques used in the Pharmaceutical industry, So that students can learn and compete with world

No suggesstions

Good

syllabus should be revised in order to pharmaceutical industry oriented

NA

More practical knowledge required and industry based projects need to be done by college students

Therotical subjets Syllabus is too large

It should be based on contemporary needs of the profession
